“ *To family of Ruby Tooks*

*Ruby and I were in elementary school together; graduated high school; reunited when she and Leon moved to Atlanta. I have so many loving memories; hours of sharing our concerns; our blessings and our prayers. I will miss you my friend. I am so grateful that we said it all and gave all when you were here. Our memories will carry me until we meet again. You have shown me what it means to be graceful and brave when the end is nigh. My love and wishes to the family. Ruby was the ultimate mother, friend and guide.*

*Bless you all*
