

## Ruel Moxey

April 1, 1950 - October 31, 2017

### Obituary

It was a beautiful day at the old homestead in Moncur Alley off Kemp Road in the city of Nassau, The Bahamas, where a bouncing baby boy, the second son, was born to the Late Captain Arthur and Breazetha Moxey. That day was April 1st, 1950 and they named him Ruel Rudolph. Ruel grew up in a loving home, filled with many siblings. There was never a dull moment. His heart was always filled with love for his parents. Wherever he went on his many travels, he would always check on his mummy and daddy to be sure they were doing well. He was well loved and respected by family and friends alike. Ruel completed his elementary, junior high and senior high school education in the Bahamas and his tertiary education in the U.S.A. at Greenville Technical College and Furman University, where he completed his Bachelor's degree. Ruel enjoyed bodybuilding, cycling, dabbling in writing of poems, cooking and songs and riding his Harley Davidson motorcycle all across the United States. Each year, for many years, he enjoyed going home to Nassau to spend time with his family during their annual "August Monday Boat Trip" where they sailed through the archipelago of The Bahamas fishing, diving and enjoying fellowship with family members. Moxey, as he was affectionately called never had any children; but he always said his many nieces and nephews were his own. He opened his home to international students in transit from home to college here in the Georgia area.

Moxey took sick and battled with illness for a long period. On October 31st, at

5:55am, Moxey peacefully passed from time into eternity to be with his Maker. His family and close friends are left to cherish his memory. May his beautiful soul rest in peace.

Ruel Moxey is survived by eight brothers and their spouses, Captain Arthur Jr. and Ellen Moxey, Daniel and Julie Moxey, Reverend Gralin and Jannie Moxey, Copeland and Debbie Moxey, Jeremiah and Marion Moxey, James Moxey, David Moxey, and Dr. Lincoln and Sandra Moxey.

“ My condolences to Ruel's family and friends. May God bring you fond memories, and peace in this season of loss. I enjoyed working with "Moxey", as he was nicknamed. He was always kindhearted to me, and good natured even when I knew he wasn't well. I was so saddened to hear of his passing. Although we haven't worked together in years, I remember him well, and will miss him.

“ Moxey will be missed dearly. I love you but God loves you most. I thank you so much for sharing so much with me. I will never forget you being by my side during the passing of my sister and how you made me smile when I couldn't think of smiling. Moxey I always told you that you was different like the time I said I can't believe my sister is gone. Moxey, you told me don't worry I will never die, I said what? You told me , See I have already talked to the Big Guy upstairs and we have an understanding that I will only be changing my address and you can keep talking to me. Thank you so much for sharing a part of your life with me.  
I love you so much.....Mary Owens
