

Mrs. Ruth M. Alexander

November 12, 1938 - July 16, 2022

Ruth Elcock was born to Marjorie Clarke in Port-of-Spain, Trinidad on November 12, 1938, and was adopted and nurtured by her beloved Auntie Beryl.

Ms. Elcock completed her formal education in Trinidad, after which she migrated to the USA and became an Administrative Assistant to the renowned Harlem Doctor, Muriel Petioni with whom she maintained a strong bond. In the mid-1960s her path took a new turn; she became an Administrative Assistant at Dean Witter Reynolds on Wall Street, New York. While working there she pursued studies to become a broker and was successful. She had a remarkable tenure at Dean Witter that lasted until her retirement.

Also in the 1960s, Ruth met her charming husband to be Benedict (Teddy) Alexander. They were married after a brief courtship, and from their union, two beautiful girls were born – Natalie Stacey Alexander and Melissa Ann Alexander. Ruth was a mother and wife par excellent. Her husband Teddy preceded her in death, and she remained the bedrock of her family, being fully engaged in the lives of her daughters and her dearly beloved grandchildren Rakim Blunt and Jarvis Diaz.

Ruth loved as Jesus loved. God used her as a bright light to guide with a gentle spirit and impact the lives of many. As a vessel, she held family and friends close. No matter the distance or location, she kept everyone connected.

Being the family's matriarch was a role that came naturally to her. With open arms, she welcomed loved ones with warmth and kindness. Her fun-loving spirit, soulful meals, handmade crafts, and words of wisdom will be greatly missed. Life as we know it will be different, but the memories and lessons will live on forever!
