“ *A Memorial Of Ruth Barton
A Mother To All*

*If Tears Could Build A Stairway
And memories a lane
I would walk right up to heaven
And bring you home again
No farewell words were spoken
No time to say goodbye
You were gone before I knew it
And only God knows why
My heart will ache with sadness
And secret tears will flow
What it meant to love you
No one will ever know
But now I know you wouldn't want me
To morn for you no more
But remember all the happy times
Life still has much to store
Since you'll never be forgotten
I pledge to you today
A hollowed place within my heart
Is where you'll always stay
Thanks for wonderful memories*

*Lovingly Submitted

“ Dearest Barton Family❤️,

*Our sincere condolences to you all ...
We've been Family since the beginning of time.

*Growing up it was always Ms Bonnie Barton😊
When they said it took a village, She was a big part of our village.
She was like that extra Aunt and when She spoke you had better
listen.😊*

*When it came time to select the person who would bake our
Wedding Cake...My Mom said call Bonnie, Who else but Ms. Bonnie
Barton. and She did her thing.*

*We have been connected down through the years as far back as I
can remember. From my Grandparents, my Parents, Her Children...
Her Sister, my dearest friend became our Sister in love, My Cousins
were neighbors... My other Cousins were Cousins. GOD made us
FAMILY FOREVER❤️.*

“God Bless You Bonnie,
Thank you for sharing your love and life with a Yvonne and I. You always gave us your smile and favorable greeting though many years. Thank you for sharing Lori with my wife. Lori your love and acceptance of my wife “Yvonne” was outstanding. You gave her tremendous support during our time together in ministry. That is a reflection of you; Ruth. Bonnie, thank you for sharing Patricia Woodside my sister in law. I can’t tell you what a loving blessing she has been to Yvonne, myself and our daughters. Patricia has the heart of a warrior who never complains. A trait I saw in you Ruth, Lori and also your Mother. Lastly, Bonnie Thank you for sharing your Mother with all of us. I can’t leave her out because her musical legacy in New York inspired me to be the best I could be. I’m sure your Mother’s musical legacy will live forever generationally in Bernard and Patricia’s son and in future descendants. Bonnie, your impartation in the lives of all of us in New York as young adults will never be forgotten. Again, Thank You Bonnie !
Pat, Bernard, Lori and all the family we love you.

Respectfully,

Leroy and Yvonne Woodside Jr.

“ Mrs. Barton hired new at the Five Towns Community Center at the age of 14 yrs old as a summer help teacher’s aide. Each summer I had the opportunity to return. After graduating from College, she hired me as a teacher assistant and always told me not to get comfortable with my job she wanted better for me. She continued to push me to do better. As I followed her lead, she saw the growth in me and I was promoted to a Family Service Worker. I feel grateful so grateful, she was like a second mother to me. After several year of holding down the program, Ms. Barton, she relocated. This was heartbreaking, I continued working at the Five Towns Community Center and worked my way up to Program Director. I was then called lil Mrs. Barton 😊. I understand why she had a strong arm. Very hard shoe to fill. She will be greatly missed. What a beautiful soul. ❤️

Clifton Todd's memories of my sister Bonnie are spot on. The raised eyebrow or calling me by my full name that could stop me in my tracks, but always with the most love in any admonishment. Bonnie with children - we all were her child if we were in sight or reach of her voice. And each if us grew to be a better person from her gentle love and guidance.
