“ Today is difficult for us to look beyond our sorrow but I hope that looking back over the wonderful memories that we have of you, will help to bring about comfort to us all in the future.

*My dear Sister, anytime is perfect, so, I will take this time today to repeat it!*

*Thanks for making such a difference to the lives of those with whom you*

*have interacted. As we gather to say farewell to you, my dear Sister, a true friend and guiding light; I am grateful for the special moments we have shared and the impact you have made. Though I am grieving, I will find solace in these memories and strength in the legacy you have left behind.*

*The reality is that we have been grieving ever since your passing; we will learn to live with it. We will heal, and we will rebuild our lives around our loss. We will be whole again, but we will never be the same. My dear Sister, you will forever be missed but I know in the right time, we will meet you again. We will all meet you and you will make us laugh again with tears of joy.*

*So long, Rest in Peace!*

“ As Ruth is now peacefully with the ancestors, we hereby salute her energy which shall live forever, and quite happily! Our deepest condolences to the family at large, as we are especially sorry for your loss. To you Grace, we wish you all the very best life has to offer, and that you'll never want for anything in life. A parent has the responsibility to the child, but when the child selflessly returns the favor to the parent in time of need, that child has a special place reserved for her. May you Grace be blessed in perpetuity! You may call on us at anytime, for we are all ears my Dear.

“ *My sincere condolences. While I didn't have the pleasure of meeting this beautiful soul in person, I felt her warmth and kindness over the phone. She welcomed me as a stranger to stay at her home when I was stranded in NYC. For many years, I carried her info in my wallet as a reminder that angels are among us.*

“ Sending my condolences to Grace, Duane and family on Ruth’s passing. This deeply saddens me but assured that she is at peace and in a better place. This is the only picture I have of Ruth and my mom together and wanted to share how these two beautiful women brought us together! SIP
