“ Although we never met in person, we became very close these past 4 years. After Mom (her only niece) passed she called our family here in NC to make sure we were OK and she continued to call and offer support and unconditional love. From there we forged a relationship and she became very dear to me. I enjoyed getting to know her. I loved that she was thoughtful and caring; she knew God would take care of all things. Distance didn't preclude her from being helpful. She would hear me cough and send cough drops in the mail, she told me tea remedies to brew. The fact she found a way to take care of me from NY was HUGE. Her kind gestures continuously warmed my heart over and over. Her love erased the distance between us. Forever grateful and honored that she is and always will be my "GREAT" Aunt Ruth!!!

All my Love, ❤️
