“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ I was so disappointed to hear about the passing of Rutha Mae. We went to public school together and I always admired her. I believe she became interested in becoming an English teacher when she became very close to her English teacher, Ms. Johnson, at Elloree Training School. She was very poised, and I just knew she would be successful in life. May the peace of God continue to be with us as we say our good bye to such a sweet, loving, caring, and kind hearted Angel. I will always remember you from church at Mt. Zion, Elloree school, and in the community. Love to the family.

I was saddened to hear of Rutha's passing. I know your hearts are heavy but God picked a beautiful precious flower. Ruth and I were Zeta sisters at Claflin. Praying for the family.
