“ What a beautiful service!!! We are so sorry for your loss. While Joan and I never met Ruthie, we feel we know her now... a person with a great heart, sense of humor and appreciation for good food. I work with Charlotte and if she is any indication at all, we sure wish we had had the pleasure of knowing Ruthie. “ Ruthey was a very close friend who would do anything she could for you. I've been knowing Ruthey for 20+ years and every time we got together we would act so silly and laugh until we had tears in our eyes! It didn't matter if we were over to her house, or going out to eat, we were just always laughing and having a good time. It was the three of us who would always talk on the phone together. She was the oldest, so she started calling herself Big Sister, she called me Middle Sister and our other friend was Baby Sister. I will always cherish all the great memories we shared together. Until I see you again, rest in peace Big Sister

“ *I can not find the words to adequately express how heart broken I am about the death of our sweet Ruthie. She had a heart of gold and kind spirit that would go the extra mile to help anyone. I have known Ruthie for over 25 years and she had genuine love for my family and I. My prayer for her family and friends during their time of grieve and may they hold the memories of her deep in their heart. So please remember these words:*

*"When you loose a love one it leaves a painful empty hole in your heart. But may the beautiful memories and happy times that you all share fill your heart with joy and help lessen the pain".*

*Also may God's words at Psalm 46: 1 and Revelation 21: 4 bring comfort to you all. And may God the Father of tender mercies provide you all with peace and comfort during this time and the days ahead. Ruthie will always be remembered by so many. We love you always our sweet Ruthie. Warm love from Lorna P. Jones and family.*

She will be missed! It is never easy in losing a parent. May our Lord bless and comfort you and your family during this trying time of sorrow. He gives strength to the weary and increases the power of the weak Isaiah 40:29. Words are never adequate in moments like these. Our prayers go out to you and your family!
