“ This was truly a shock to me today, March 27th 2023. I met Sabrina in the 90s, walking and exercising on tracks in the neighborhood along with her Mother.

I offer my sincere condolences to her daughter who she loved dearly as well as her sister. When I called Home Depot today I decided to ask if the lady knew Sabrina. She gave me the sad news. Sharda, I know this is a great loss for you and other family members, know that I too share in your loss.

May God bless you as you continue to heal.
