“ *Dear Family,  
Good evening. I am so very sorry to learn in this year that my friend Sabrina passed away. We went to Elementary school together and lived in walking distance of each other. I am so shocked, lost contact with Sabrina over the years. I'm not sure if her sister or family member will get this post, but if you do, please email me at [joyce\\_thomas@yahoo.com](mailto:joyce_thomas@yahoo.com)  
I am so saddened to find out this info. I was actually trying to locate her through the social media. My heart is just crying.

“ *Whenever I think of Sabrina, I remember coming home from the military and running into her. I was new in my understanding that Jesus is the Messiah. She invited me to attend church service with her, which I did. I don't remember much about the service, but I do remember how devout Sabrina was. Her love of God and desire to be pleasing in His sight. I pray that your hearts will be filled with the love she found in Yeshua HaMashiach...the soon coming King. Amen. Shalom*

“ When I was little girl I remember Sabrina taking me to the movies while she was visiting her family. I was very young so I don't remember who else went with us. At the time most of the teenagers and adults ignored me so she became my hero that day. I always wished she would visit more often and I missed her as a child. I'm sorry for your loss.
