“ *My heart is saddened by this loss. Ms. Gay was an asset to Dunbar Elementary and Atlanta Public Schools! I was impressed by her work ethic and pleasant demeanor. I admired, respected, and valued her presence in our building from the first time I met her. May God continue to cover, comfort, and bless this family!*

“ *I would like to offer the family my deepest and most sincere condolences. I met Sade while teaching at Alpha Prep in 2016. From the first time we talked, we established a friendship and formed a close bond. Sade always supported me in everything, no matter how big or small, she was always there. I'm heartbroken to know she's longer with us and will miss her dearly. R.I.P. Sade.*

“ *I met her and her sister when she was 3 years old. She was the sweetest, cutest little girl. I was stationed in Spain with her parents. Her mother was a hair stylist and she wanted to be so helpful. She will be missed by all of those who loved her.*

“ I am speaking for my mother her great grandmother. With open arms and a given heart her Love for her great Granddaughter was endless. Sade received from my Mother the Extention of the Love of his only begotten Son Jesus Christ. The Love the Greatest gift of All They say the Good die. That definitely ring true for Sade. As my mother will say Sade will truly be missed. I like to at this time give My nephew Tommy and his wife Lolita my Condolences for their Lose. GOD Bless You and Yours!

“ Being a great friend to Lolita, meeting her family was especially memorable to me, so the first time I met Safe was as if I was accepted by the whole family, She gets me with a hug, so warm and secure, just like her mom. Her smile was bright and her eyes kind, I will always love her. Raven holds the same trait and this warm characteristic is to live forever.....
