

Ms. Sade J. Sharfner

July 24, 1993 - September 8, 2025

It is with deep sorrow that we announce the passing of Sade Joi Sharfner, who left this world on September 8, 2025.

Born on July 24, 1993, in Atlanta, GA, Sade was a beloved mother, daughter, sister, and friend. She will be remembered for her radiant smile, kind heart, resilience, and the joy she brought to everyone she knew.

Sade pursued her dreams with determination, earning licenses in cosmetology and finance, and proudly became the founder of Nailed It nail salon. Though she accomplished much, her greatest joy was being “Mommy” to her daughter, Nylah Ivy Rodney, whom she shared with her fiancé, Omari Rodney.

She is survived by her parents, Carl and Joyce Sharfner; siblings Nerissa, Kerel (Kylie), and Israel Sharfner; grandmother Emma Holmes; her fiancé and daughter; and many aunts, uncles, cousins, and friends who will carry her memory forever. She was welcomed into eternal rest by her grandmother Ellen Gordon, great uncle Charlie Jenkins, aunts Senora Benjamin, Yvonne Jenkins, Jeanetta McDonald, Yvonne Simpson, Sandra Thomas, and cousin Andrea Williams who surely greeted her with open arms.

Though her time here was far too brief, Sade’s legacy of love, laughter, and compassion will remain in the hearts of all who knew her.

“ Sade, I remember seeing you last summer and admiring how you'd grown into such a beautiful young woman and mother so poised and graceful. I was blessed to spend some time with you discussing motherhood and pleased to hear your future plans for continued success. Your passing in the prime of your life hurts my heart deeply. The absence of your presence is a humbling reminder that each encounter we have with those we love is precious & priceless. You & Nylah were in my prayers, even though I didn't know the challenges you were facing. Trusting you're now at peace and in the loving arms of The LORD. I love you & miss you much Sade. I'll hold on to memories until we meet again in eternity Baby Cuz! ❤️

“ Sade my queen the love of my life..ain't no woman on gods green earth made feel the way you did.. what a beautiful woman from inside and out.. Words can't describe what you mean to me when you came into my life you gave me that motivation to be a better virgin of myself.. Things I didn't even know I was capable of doing you the one who brought it out of me..All you wanted was life of abundance and everybody around you to win and you showed that through your actions.. You accomplished a lot of things at a young age I used to tell you.. You ahead of your time queen.. You was a real entrepreneur about your business and investing.. We were friends first before we started dating you knew I was in love because you were the first person I talked to in the rising and the last person I talked before I go to sleep.. We will be on the phone for hours I couldn't get enough of you I was so intrigued by you.. I remember telling my cousins back in New York I found my wife.. My whole family loved you.. You gave me our first baby girl Nylah.. You were such a loving and caring mother and I'll make sure Nylah never forget you.. I will always keep you in my heart forever Queen until we meet again my love ❤️🗨️😭🙏💔

“ *Baby cousin, I remember when you were born. You were always a shining light and a beautiful angel in our family. You always had a smile on your face. Even though we were far apart, you always remained in my heart. I love you and I will see you soon in eternity. This is tough losing you but I know God causes everything to work together for the good of those who love God and are called according to His purpose - Romans 8:28.* 😊🙏💕
