“ *I was Miss Sadie's caregiver for a year and a half, it was never a dull moment with her, everyday was a new experience with her, she would tell me about the "good ole days", always had some type of mother wit, I will always cherish those times with her, the Sims family became a part of my family. Miss Sadie's light will forever shine. Thank you Jean, Doris, Wanda, Jesse for trusting and allowing me to care for Miss Sadie.* ”
