“ I extend my most sincere condolences to the family. I know that these events stir up sad emotions, but in the future there will be a time where there will be no more funerals and no more deaths in Revelation 21:4.

“ It pains me to say, I never knew Sage. I always thought that I would have time to meet him and get to know him. Now, I realize that time is such a short thing and I regret putting it off all these years. For that I am truly sorry. To the Happ family my heart goes out to you all. I realize no words will ever lighten the load that underscores this tragic event. But I pray, with God's help, that you all find some solace during these troubled and turbulent times. With this small \$195 donation, please honor and celebrate Sage's life by sharing your memories and pictures of him so people like me can see the gift he was on your life. God Bless you all. Sage you will always be loved. With heavy heart and mind, your older brother ~ Ty Henley.
