“ *Today I celebrate the final chapter of our love. We would have celebrated 18 years as one flesh but the Lord allowed you to rest peacefully. I'll never forget our relationship. Until we meet again, my love, RIP!!!*

“ *Jr. was my big brother and he always made sure he let me know that he loved me and was there for me no matter what. We had good talks and bad ones, but in the end, we were family and he made sure I didn't forget that.
Forever your little sister.*
