You were always interested in my son, Sam, well he passed away on February 19, 2024, maybe you and my son can hookup in haven.*

“ So sorry to hear of Sam's passing. The family has my heart-felt condolences, Sam will always have a special place in my Heart. He made me feel welcome from the day I met him on August 14, 1989 when I started work at GE. You felt the love and kindness he poured in to every person he met. My friend I am so sorry I missed your Last Party had I known I would have been there.

“ So sorry to hear of Sam's passing. The family has my heart-felt condolences. He was a good friend of my aunt and was a frequent visitor at our family parties and gatherings. Sam was warm, thoughtful, and resourceful. He was really a kind and peaceful man who enjoyed a good, and sobering conversation. I did not know him well yet I felt his soul and substance. Sam was a good man! May he rest in eternal peace.

“ I loved talking to Uncle Sam when I would come to GA. My son who lives there would often times visit Sam and Sam would visit him. Going to miss him. He was a busy hard working man that loved his church family.
