“ *Last night, I found out I lost my brother. The ONLY true man of GOD I have ever known. He exemplified every quality that a man of GOD should have. He was honest, loving, kind, gentle, compassionate, a great father, husband, friend and prayer warrior. He had full faith and allegiance to our GOD and was a wonderful servant. I am going to miss my brother but I know our GOD is happy to have him home. I just wish that he had left Sam with us for alot while longer. Samuel, I know you are looking down from heaven and see the heartbreak of so many who loved and still love you. Please bring comfort to my sister your wife Lorna and your children. You were their heart as they were yours. Okay brother, until we meet again, you be good as I know you can be. You are one of GOD's angels now. I love you from your sister, Tina Brown and Family, Toledo, OH.*
