“ I was so sorry to hear about Sandra! George, Tina, Mark, Cassie, and Fred, I send my sympathies and prayers for peace and comfort during this difficult time. I feel privileged to have known Sandra and to have had her for my science teacher at Birchland Park in junior high! I often have trouble remembering things back that far but have never forgotten Sandra as my teacher! She was a talented and intelligent person! I admired her artistic ability and paintings and will never forget how she gave me a set of her dog prints that were published by the Bombay Company where I had worked part-time for a short while. They're hanging in my living room. I also remember her taking us to brunch for Easter at the Ritz Carlton when I first moved to Atlanta and how special that was!
