“ *Sandra will be sorely missed not only by her family but by classmates and friends that had the opportunity to be in her presence and got to know the mild mannered fun loving person that she was. She will be sorely missed by my family and I am grateful to have known her and shared many pleasant memories*

“ Tracy,

I know that you and your family were very close to your sister. In life we know that no one can choose a family in which to be born, but if Sandra had a choice, she would have definitely chosen you.

Sandra loved you every single day and, in my opinion, you were her closest friend. The love that the two of you shared will be forever in your heart. It will never end.

While there aren't enough words in the world to express my sympathies, I will continue to pray for comfort and strength for you and your family.
