I I've had the please of working Mrs. Sandra Joseph at Bronx Lebanon Hospital in NYC for approximately 20 years. She was a wonderful woman and I share my deepest condolences to her family and friends. My prayers are with you at this time of grief. May her soul Rest In Peace.

She was my second mom and was very kind and gracious to me. I will forever treasure her support during challenging times in my life. She held my hand in the absence of my mom and witnessed the birth of my eldest son. This memory I will never forget. Aunty Sandra was a virtuous woman and I will miss her visits to Guyana and the moments shared with our family!

May soul sleep on in peace and rise in glory!

I love you Aunty Sandra!

“ I will anyways remember when I was going to Berbice High School, cousin Sandra was a Sister at New Amsterdam Hospital . She would come and say hi and give me a leaflet to read pertaining to nursing . She was my role model and I admired her humbleness, caring and compassionate qualities. I am proud to follow your footstep . Your memories and legacy will live on. RIP my cousin.

“ My Aunt was a kind warm spirited person. She treated me like a son when I would spend time with her and the family on weekends. She made the best Guyanese Ginger beer and Maby. I going to always remember her with that amazing smile

“ I met Mrs. Joseph 11/1999. I was a new graduate from school starting my first nursing job at Bronx Lebanon Hospital. Mrs Joseph was my preceptor. She molded me into the nurse I am today. She was like a mother to me. I would go to her for everything. She was my protector, mentor and someone I looked up to and wanted to be like one day. Thank you for sharing her with us and in return we share your profound sense of loss. “The flame you have entrusted to us must continue to burn bright. Your righteous deeds shall not be forgotten nor your glory blotted out. Your campaign on earth has been triumphant, you have been summoned to commence a campaign in a new kingdom. You have fought a good fight. You have finished the course. You have kept the faith. Gone but not forgotten. May your soul Rest In Peace”.

“ I met Sandra in September 1961
She was the Pupil ,I was the Pupil Teacher
We bonded immediately and realized we were closely related.
She was very bright and soft spoken .
She left school the following year. We met occasionally and had short chats.
Many years later we again made contact.
Sandra was now the same soft spoken and angelic person.
We spoke on the phone for over an hour.
We shared so many events of her life during the years we were separated.
She was an angel in my eyes.
My cousin may your soul rest in peace.

“ My best memory was when auntie Sandra, Yevett, yonnett and my self had a girls day in the kitchen cooking roti and curry singing, dancing talking, laughing and eating man that day I felt like I was one of her daughters a part of her family and still do to this day. I smile everytime I think of that day. A beautiful and wonderful woman always had a smile. ❤️❤️❤️❤️❤️❤️
