“ *We offer our condolences and prayers to Sandi's family and loved ones. Sandi will truly be missed. She was a beacon of light--always smiling that radiant, beautiful smile and making people laugh. Her ministry was caring for others--even when she was ill herself. She had a profound love for God and she was well-equipped to serve--passing out tissue during church service(sometimes, I needed the whole box!), and assisting people who were challenged by technology (I usually needed help with my cell phone). Sandi will always have a special place in our hearts. We loved your angel. May she rest in peace with our Father. Deaconess Valerie and Deacon Glenn Morgan, Voices of Faith*
