“ *On this day 40 years ago this woman gave birth to a baby boy. Her first and only son. Every year without fail she celebrates this day with me. Only this year we celebrate in spirit and in truth. I'm still searching Mom for purpose, for reason, for anything to move me to press on. You are so beautiful to me and I miss you dearly - Happy Birthday to me. Your Son, Jr* ”

“ *James Gilson - Father. Sandra was one of a kind. She is already greatly missed. As her friend stated she is now our guardian angel watching over us help prompting us to do what is right. To love each other as God loves us and gives us strength to go to extra mile. That's all remember Sandra Mothershed as a loving person, great daughter, loving mother and grandmother. Rest now my daughter, and let your passing bring us closer together as a family!*

“ *This is extremely hard as Sandra has been my best friend since I was 18. Called us the three amigos ( Sandra, Beverly, and Cheri) and we were practically inseparable. We have shared so many wonderful memories together. It is hard to imagine life without her here but, I know her spirit will remain a bright light in my life. In all of our lives...to my family b/c that is what you are and will always be...I hope that you find comfort in knowing Sandra was a child of GOD and is resting comfortably in his loving arms and is no longer suffering. She will always be a angel watching over us all. I pray for strength for each and every one of you and that you continue to hold on to his hand to help you get through this extremely difficult time. Just know that auntie Cheri loves all of you dearly, and will be here if ever needed. I love you, and May GOD continue to uplift you and bless you.*

*Sandra I have known since high school . We were reacquainted in 2015 when I was looking for a certain wedding dress. I wanted a Blue Jean wedding gown . I sent Sandra a picture and she said Gale I got you no worries my mom gonna hook you up, and believe me Auntie Naomi hooked me up. From then on I became part of the family . I love the whole entire family. Sandra you are loved & missed already . I loved how you loved your mom and your family . I pray that your family find comfort in knowing that you are now with God. I pray that auntie Naomi and the rest of the family find strength and peace during this difficult time.for you Sandra is an angle and will be watching over her family and dear friends . Rest on my dear friend rest on.*
