“ *My dear Niece Sandra Weeks*

My dear Sandra,

You got to finish your Journey early and so you have gone to be with the Lord.

I will surely miss you and your many acts of Love, Generosity, Kindness and Hospitality that you showed to all the family at all times.

You are were one of a kind..much loved by all especially by Ma and Pa as a young girl growing up.

Your last voice mail to me touched my heart as you you expressed your profound gratitude for Prayer offered up. There was a sincerity in that message.

Your voice has brought much comfort to others over the years as you sing this Song: “The Old Rugged Cross.”.....and I pray the memory of you singing that song will comfort the Family as we go forward.

And for you,I quote these two lines:

“Then He will call me some day to His my home far away,

Where His GLORY for ever I share.”.....This is that time.

SANDRA, May you Rest In Peace and rise in GLORY!

We love you very much.

“ *To my beautiful sister Sandra, may God continue to hold you in the palm of his hands so that you can feel safe enough to fly. You were a bright light for all the world to see during your brief time here on earth, but now God needed another angel to help fulfill the heavenly choir. I know that you will fit right in. I will miss you but I know that you needed to be free. So spread your wings and soar high with love and grace. You were the first person to open my eyes to ice cream with jello Oh what a treat! I will miss your fish cakes but not as much as I will miss you--Jackie love you always.*
