I have known Mother Dr. Sarah Anderson for less than a year but from the time that we first met there has been a bond and connection that will last forever. She last reached out to me with the last month when my brother died. Our last call was abbreviated as Mother Anderson voice could draw tears from me rather easily. My prayers are with her family, her church family and those that adopted her and those that she adopted along the way. She is resting peacefully in His presence her work her was well done. A good sold of Christ has made it in.

Sweet Sister Anderson💕 Such a wonderful person. I will never forget the moment we realized that she grew up with my dad. She named all of his siblings and told me that my grandad was her first school bus driver. She blessed me when she told me that she would have gladly spent my dad's final days with him had she known it really revealed more of her heart. A soldier to the end! What a wonderful person who lived a beautiful selfless life! Oh how she must be dancing now!

On this day, 2.5.81, recognition is accorded to the many friends who have joined Mother in celebration of The Lamb Who Sits on the Throne. This month is remembered as the many moments of Black History programs preparation and teaching moments Mother gave in her life. I am reminded of the Black History events Mother was kind enough to initiate my and sometimes a friend's attendance in the Atlanta University Center. I am reminded of Mother's lead in Black History celebrations in the church, school, and community to promote appreciation and pride in God's Creation of a deeply melanated and rooted people. She kept the charge of God in her generation...pure. holy. effervescent.

*On this day it is our son's birthday, Marcellus, who lived with Mother to capture his first teenage job at Whitewater Park.
Thank you, Mother for pouring Christ. He is a yielded Believer in Jesus carrying a torch to his generation.*

Daughter Cecile - February 05, 2022 at 09:30 AM

“Mother's purposefully living *The Holy Spirit-Immersed Life* was reflected in one of her favorite poems, *'The Road Not Taken'*, Robert Frost.

Mother's aim was sure: Matthew 37-39 Jesus answered, “Love the Lord your God with all your heart, all your soul, and all your mind. This is the first and most important command. And the second command is like the first: “Love your neighbor as you love yourself.” (NCV)

Mother lived that all would see the Good Works God worked and glorify her Father:

I Peter 2:12. “People who do not believe are living all around you and might say that you are doing wrong. Live such good lives that they will see the good things you do and will give glory to God on the day when Christ comes again.” (NCV)

Mother desired to treat everybody every day on every encounter in the manner as Jesus:

Matthew 7:12 “Do to others what you want them to do to you. This is the meaning of the law of Moses and the teaching of the prophets.” (NCV)

Mother wanted to enter heaven having found true life: Matthew 7: 13-14 “Enter through the narrow gate. The gate is wide and the road is wide that leads to hell, and many people enter through that gate. But the gate is small and the road is narrow that leads to true life. Only a few people find that road.” (NCV)

Mother chose her faithful testimony to the finish: I Peter 4:7-11 “The time is near when all things will end. So think clearly and control yourselves so you will be able to pray. Most importantly, love each other deeply, because love will cause people to forgive each other for many sins. Open your homes to each other, without complaining. Each of you has received a gift to use to serve others. Be good servants of God’s various gifts of grace. Anyone who speaks should

Speak words from God. Anyone who serves should serve with the strength God gives so that in everything God will be praised through Jesus Christ. Power and glory belong to him forever and ever. Amen." (NCV)

To her Friends and Family, your testimonies of encountering God's love in Mother reaffirm "all the difference" God made in these encounters, or in the words of poet Robert Frost:

*.....Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.*

Your words and experiences speak to the love that Rev. Dr. Sarah Lee Anderson showed for God and for the people God placed in her path. She viewed each relationship as the Gift of God in her own life.

In this transition, special appreciation is to Levett and Sons Funeral Home, Dignity (Fairview Memorial Gardens), and the Rev. Dr. Billie Cox of our Macedonia Baptist Church (Conyers, Ga.) family.

“ My Dear Mother Sarah...A woman of grace, love, and beauty who left an indelible mark on the lives of so many -- especially mine. My heart is broken, for I hadn't seen you in a while, and I can't seem to stop crying. I know how much you loved the Lord and all His people. You were a watchman on the wall but also a watchman within the gate. among the people individually touching, caring, and giving exactly what was needed to strengthen and encourage us. Thank you for covering us all in prayer as a master intercessor that we, too, may finish our race in victory. My love and prayers go out to Cecile and all the family for so graciously sharing Mother Sarah with us. On July 15, 2020 the LORD made Mother Sarah His jewel -- His special treasure and gave her rest, for her life was well done.

“ *What a wonderful servant of God, Aunt Sarah. We were privileged to share time and her ministry with her. Aunt Sarah and my father, Aaron A. Gay, Sr., were fond of each other and they shared Frank Gay, Sr., my father's father and her stepfather. We last fellowshiped together when I attended Uncle Wendell's homegoing service. As Pastor Cox so eloquently portrayed her last evening, Aunt Sarah was and is a virtuous woman of God. Willis and Doretha Gay, Columbia, Maryland*

“ *Pastor Camille Richmond*
I met Dr. Sarah Anderson about 30 or more years ago.
I can truly say she was a woman that love God and love people.
We spent many times talking about the greatness and goodness of God.
I had the privilege for one last time to spend some time with her worshipping, praising God and praying together.
She was a gem for God.
She was a shining light in the midst of darkness.
Everywhere she went, she shined her light for Jesus.
We will miss her but she's in a better place.
She's with our Lord and Savior Jesus Christ.
I Look forward in seeing her again.
May you find comfort knowing that those who love the Lord, lives forever in heaven.
Even as their memory lives forever in our hearts.
I pray that God will comfort you all In Jesus Name.
God bless and keep you all always in Jesus Name.

“ *I've known Mother Anderson since before coming to Macedonia. She was an ultimate teacher of the Lord, and through her I learned so much. My last time spent with her was when I took my 84 year old mother to meet her earlier this year. Along with her impromptu bible lesson, she and my mother had the opportunity to reminisce about their youth in Atlanta. It was such a blessing to see the two of them connect. My mother later said it was such a pleasure to meet her. I will cherish that visit along with all the wisdom Mother Anderson imparted to me. I will miss her but I rejoice knowing she is with our Lord.*

“ Mom Sarah, has been my spiritual and adopted Mom for over thirty years. She was also my best friend, whom I could call on at anytime, and she was always there. I know she has gone to a better place, and danced into Heaven joyfully, because that was how I saw her in my dream. I pray God will grant her family, daughter, grand and great grand children the comfort and strength only he can give. On behalf of my whole family here in the US and in Nigeria, Africa, I say 'Goodnight, Mom", and we shall see you again someday in Heaven. We will miss you dearly and will always have you in our hearts. Thank you for your love and friendship, and allowing us to share your family with you while here on earth. I will miss all the special times of praying, fellowship and outings we had together. We love you, Mom.

“ I Praise God to have been a friend of Mama Sarah for 20+years. Last year in October, I was blessed to be a part of her Birthday celebration. A memory I will cherish. She was always a “shining light” in her ministry to me and I know to many others. A verse that she lived by: I have been crucified with Christ and I no longer live, but Christ lives in me. This life I live in the body, I live by faith in the son of God, who loved me and gave himself for me. (Gals. 2:20). Her friend Ruth Baker.

“ My beloved friend of 44 years, I love you! How wonderful, and marvelous is our God , to bring us back together, after being apart for 43 years. When the Lord, reunited us the Spring of 2019, it seemed liked it had only been a few years since we last saw each other. The laughter, and joy was at the same level. The love we shared in our friendship, had not diminished. Oh, how amazing is our Beloved. Now, the One of whom we talked so much about, you behold Him, face to face .I am grateful for the many years we shared the love of Christ our Savior in the earth realm. Now, our paths have parted, for I have yet to finish His will for me in the earth realm. I will remember our last conversation, and I will complete the assignment that He has given me to do .I will finish strong! Thank you for all of the encouraging words, prayers and love you gave. I will remember.
Until,
