“ Dear Turks Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous. May you have peace as you think about this beautiful hope for the future.

“ I remember Sarah from when I was a child. She was employed by my mom and I remember what a sweet woman she was. I think back about her often with great fondness. My heart is with all of you during this difficult time.

“ One of my most fond and sometimes painful memories of my Aunt Sarah was her doing my hair growing up. In those early years my hair was long, thick, and really tangled/curly and I was terribly tender headed. Oh the price we paid for nice pony tails before relaxers became popular. I can't remember if Sarah did our hair before or after she got her degree from the Poro Beauty College, but she did an excellent job. She was also always cooking and inviting everybody over to her house to eat and hang out when we weren't at my grandmother's house. She always kept in touch over the years. I will miss her.
