“ Tobi, Nyla and Naja,  
We are saddened by the loss of Sarah. We will miss her smile, her sass, and her love of travel. She loved you and the girls. You could tell by the way her face would light up everytime your names were mentioned. Although she is not physically with us, may her love for you stay close at heart. Our prayers and blessings go out to you and the family. Love, Reggie, Tahra, Sheldan and Sydney

“ *Tobi, Nyla, Naja and family. Sarah was much like her Biblical namesake, a noble woman. Her generosity and incredible tell-it-like-it-is sense of humor and candor were a part of her uniqueness. Sarah loved her family and was a successful Navy career woman and airline stewardess; roads less traveled. Please receive my heartfelt condolences. I pray that the many memories you shared will ease the pain of your loss and bring you joy for many years to come.*

*God, please welcome Sarah Sax into your kingdom.*

*God please hold this family under your broad wings of protection.*
