Scott, you're now resting comfortably and is truly free of any discomfort or pain. You will be remembered by all those that love ❤️ you, especially your family and friends. Your Co-Workers will miss seeing you and having those intense conversations. Last but not least your mother Clara was always in your corner praying 🙏 and trusting God everyday. It was hard for your Mom to say goodbye, instead she chose to keep you in a special place very cozy in her heart. Love you Scott, you're now your Mom's Guardian Angel, just keep hovering over her simply relax and Rest In Peace.
