“ I've known Scottie since he was a little kid. He was always respectful, kind, and helpful. I visited him and his wife Ethel many times and Scottie has shared some special memories in my home. I was so saddened and couldn't believe we had lost him at such a young age. I will miss his laugh and good conversation. My prayers will always be with him and his family. Even though I missed his funeral because of me residing in Japan I loved Scottie and his family. He was an awesome nephew, father, and husband. God Bless You Ms Ethel in your loss and continued journey. Leon Mickles

“ Dearest Nephew,
We pray that you are resting in the arms of Jesus! We know you needed some rest but had no idea you would be gone so soon. I told you that “I love you” and hugged you for one last time on Saturday! I was thinking that now you would have a moment to yourself after burying your mom. You are gone now, and it is unfair that we will not see that big smile or feel that welcoming hug!! Thank you for your unfailing commitment to take care of our sister (your mom). She loved you with an endless love. It’s doesn’t seem right that you are now together, but you were her first LOVE. Thank you for all that you did to take care of her and the way you took on the responsibility to help your mother no matter her condition. There are not enough words to reward you and your family unselfish love and sacrifice for your mom. You had a big job taking care of her, but you did it with all your heart and soul. What I didn’t get to say to you on our last time together was “{You did a great job, and We are so proud of you}. We will say it now...you have been a blessing to everyone. You have left your love and legacy behind to grow on and on! You will be truly missed by so many that you have touched on your journey. We pray that the Lord will continue to keep watch over your family. They will miss you so very much but you have left them equipped to stand with the Lord for their every need. Rest on Nephew your work is finished...well Done!
Nephew, we will never forget you and all the endless, selfless moments you poured into our time together. Thank you!
Forever in our hearts,
Uncle Leon and Aunt Evelyn

“ *My dear cousin...I have no words. My mind is still trying to compute
how I was just in communication with you, had just seen you and
within the blink of an eye you're gone!....I know God knows best.....I
tried to reason and make sense of everything but I can't. The only
peace I can find in this is knowing that you're not in anymore pain
and you're with our Heavenly Father.....I love and miss you...*

“ I cannot express how sad I was to hear of Scottie's passing. I have not seen him since we graduated high school in 1986 but the memories are still so vivid. Scottie was FUN! He was warm, caring, hilarious, and gentle all wrapped into one! I have lived all over the place since graduating high school but yet the memory of who Scottie was hasn't faded. That says a lot about the impact his life had on others. God bless you! I'm praying for all of the family and friends.

“ I have known Scottie for over 50 years and I have a book of memories that I could share. Scottie was such a unique soul and his easy going personality made everyone always wanting to be around. He was so adventurous and would try any once. Well there's a warning in our circle to never play cards again me and Scottie because we couldn't be beat. I have heard for years it was because we always cheated, well I will let the cat out the bag. Sorry to disappoint but we never cheated, didn't have secret signs or any of that stuff. We just knew one another so well that it was as if we always knew what the other was going do. We had a connection that I don't even think either of us was able able to grasp.
