“ Dear Sonia and family,

Our heartfelt condolences to you, my very dear friend, on the sudden passing of your beloved Danny.

It's hard to believe it's been nearly 50 years since we shared laughs and memories during those early days when you and Danny were dating—it truly feels like just yesterday. What a blessing it has been to witness the beautiful life and family you built together.

I know it will be so difficult to imagine life without him. Remember, God is with you always, and you are never alone.

You are in our thoughts, and prayers during this time and always.

*With our love,
Janet and Linden*
