To the family of Semaj Jones. Mr. James, Mrs. Salina, and Ethan- you are one of the sweetest and kindness family I know. When Semaj was around 9 or 11 years old- he was such a mannerable kid. Jesus has him now. I pray that God will give you strength to endure your grief. Love always.

“ I will always remember that beautiful smile and how respectful you always was towards me. I will remember holding you when you were a lil baby. One of the cutest babies that I had ever saw. I can't believe that you are gone in the flesh. But I know you will always be with your loved ones and friends in spirit. We will always love you Semaj! Rest well. Love from Veronica and Faith.

“ Semaj,
This is your science teacher, Ms. Jones!
I will miss your smile (with dimples) and you stopping by every morning to say Good Morning to me. You had a smile that would light up a room. I will never forget your favorite seat in the classroom, the back-corner seat. Now you have a seat in heaven with the angels. I will always remember our hall chats about life. You were well-liked by your peers, due to your giving nature. Your classmates and I will miss your presence. It was a pleasure to have you in my class! I will always remember you!

Ms. Taylor,
May God bless and keep you during this difficult time! My condolences to you and your family! Semaj was a great young man. The students and I will miss him, we already do. If you should need anything, I am just a phone call or text away. I will never forget how you showed support and comfort to me during the time of my car accident last year. That meant a lot to me! You were the only parent to stop to see if I was okay. I will never forget that as long as I live. Just know, we (students and I) will miss Semaj. I am very sorry for your loss. Please know you are in my thoughts and prayers.

“ To the Family: I pulled out the 2010-2011 yearbook to find Semaj's picture when he was a second-grade student at Rainbow Elementary School. The big friendly smile he had then we continued to see when, as a teenager, he came over at the end of the school day to get Akeelah. We could tell from their interactions that he adored his little sister and she adored him.

Condolences from the Rainbow Family: Just remember that "those we love don't go away, they walk beside us, every day. Unseen, unheard, but always near, still loved, still missed and held so dear." Know that we are here for you and your family.

Blessings your way
