“ Me and my brothers received some of the 1st haircuts when Aunt Semmie graduated Wilfred Beauty Academy in NYC. Mind you Aunt Semmie was a beautician not a barber but in her words “ I’m gonna hook it up” . And she did! We had the trendiest cuts of the times. Thank you Aunt Semmie and may you rest in peace. Love always your nephew Lil Rick

“ Everything in my life is filled with memories of my mother, who exemplified exceptional parenting. Her devotion to her family was evident in the way she ensured their every need was met. Her baking expertise earned her a reputation, as she would generously send her cookies to everyone. My mother , loved as “Aunt Semmie” was a beloved figure, cherished by all who knew her. I don’t know how I will live without her.

“ *Semmie was my soulmate for 61 years... I cannot express the void that will be in my life and how much I will miss her. She taught me how to drive and I always stretched her new shoes when they were too tight for her because my foot was larger. My heart is broken. I will truly miss her...* 😭
