“ There are not enough words to fully express my heartfelt gratitude for the love, support and kind expressions of sympathy during this difficult time of loss. Every call, text, flower, monetary gift, food, visit and prayer is greatly appreciated and a comfort to all of my family. I am eternally grateful they have your love and support. Please continue to keep them lifted up in prayer for God to strengthen, comfort and cover them with His love. Lord, I ask you to send your Holy Spirit to give them courage and a peace that surpasses all understanding. I leave you all with Romans 15:13 “Now the God of hope fill you with all joy and peace in believing, that you may abound in hope, through the power of the Holy Ghost”!

“ Shareece was the first person I met when we moved into Apalachee Heritage. She was on the HOA board and arranged to meet me at the pool to give me my new pool card. We ended up standing there talking for over an hour. She had the greatest sense of humor and we laughed through most of our conversation. She was easy to talk to and being around her was like being with an old friend. I think we both decided we were going to be friends that first day. Working with her on the HOA board was like attending a comedy show. I loved her banter and "very" blunt comments, she didn't mince words when it came to some people's shenanigan's. She was always a professional though and no stranger to hard work. She loved what she did but the MOST important thing in her life was her family. She talked about them all the time. I'm so sorry for their loss. I will miss you Shareece. Your life ended much too soon. Rest in Peace sweet girl.
