*Sharon was a person who lived her Christianity. She loved helping people. She was quiet, mild mannered, a very sweet disposition and generous to a fault. When JaWuan and I visited Atlanta, she always opened her home to us. When we lived in Atlanta, she would pick JaWuan up and take him to Sunday school and church. She was a very giving human being. Always willing to help anyone. We have lots of fond memories with her and Kevin and the developmental disabilities community—from church to the Marcus Jewish Community in Dunwoody. We loved her and she will be sorely missed. Atlanta won't be the same when we visit now. Thank you Father God for placing her in our lives. Thank you Kevin and her family for sharing her with us. May God keep and comfort you during this difficult time. We will see her again at God's appointed time. Love you all!

Oh my goodness! Just stumbled on this post today as I was browsing on Facebook. I am extremely shocked to hear of your passing. Why do bad things happen to good people. A one of a kind, loving soul is gone too soon. So long my friend till we meet again. May Almighty God grant the family the fortitude to bear your loss.

“ Sharon was a wonderful neighbor and woman. I’m so grateful I had her for a neighbor. We spoke quite often and I always ran into her on her morning walks during covid. She was a warrior and fought so hard through her treatment. She’d stop by to talk and I always enjoyed our conversations. I’m so sorry for her loss but she is definitely in a better place and pain free. We shall see her again. Rest in heaven my sweet friend. You will be greatly missed.

“ *Mrs Sharon Gillespie was one of the nicest people I know. We’ve known each other since we were kids and what a blessing to say our friendship was stronger today than it was 47 years ago. She was generous, loving and funny. She was truly beautiful inside and out. I will miss my friend dearly and will love her forever.*
