“ Sister Sharon Hurns was such a special person. She was very instrumental in the CED, and she will truly be missed in our Sunday School class. Before her grandchildren moved away, she was committed to ensuring that they were in attendance for both Sunday School and Children's Church. Thank you so much Sis. Hurns, for allowing your light to so shine, that others were able to see your good works, and give God the glory.

My Love and Sympathy to Sharon's family. I will always remember sitting in the daycare and talking. It was then I realized we came from the same background one of true Holiness. I found out that the ministry she was raised in was the same Ministry in Brooklyn, New York that Bishop Woodside and I fellowshiped with. I would always try to remember why I recognized Mother Hurns in Sunday School class. She was one of the mothers that was with Bishop Woodside at the Early morning Prayer services, that he would have Wednesday mornings at one of her pastor's churches. What an awesome reunion. It was like I was united with my sister. We spent many days after laughing and sharing of our strong upbringing. Thank you Sharon for the fresh Okra you brought to my house when I wanted some to make my Gumbo. Thank you for that sweet smile whenever we came together, that I will really miss. You served well in the Ministry that was assigned to you. Mothers and Fathers in Conyers Georgia honors and thank you for the Love and care given to their babies at the daycare. Voices of Faith thanks you for the spirit of excellence shown from you in the Ministry.

We love you but God said come and Rest Eternally.

I would like to offer my sincere condolences to the family in the loss of your love one. I met Sharon at Voices of Faith about 3 years ago. She was a quiet sweet person who loved working with her babies, as she would often call them. I am truly grateful that our paths crossed. She was a joy to be around and had a loving and sincere spirit. May she forever rest in heavenly peace.
