“ My deepest sympathy to the family of Sharon Jenkins Tucker. I saw a notice on LinkedIn today and thought I'd reach out. Sherry taught me a lot through the GMHCN and employed me for a period of time several years ago. Took a chance on me. I enjoyed my time at GMHCN. She had extensive knowledge of the mental health field and was an asset to this state. I learned many techniques at GMHCN that will last a lifetime. She had a caring personality and was a friend to many. Take care, Sharon Marshall
