“ I just heard today of the passing of my friend Sharon. I have fond memories of our time together at Coke. She used to always help me with my monthly budget and never complained. We shared lots of lunch time talks, laughing all the time. She was a very special person. My prayers go out to the family she loved so much.

“ I worked with Sharon for several years here in Atlanta. Her face always lit up the most when talking about her family and growing up in Jamaica. The family farm with all of the fresh food, her dad always inviting people over to eat who where in need. Her close nit family and their get togethers. Sharon was also outspoken of her faith in Christ. We also did a volunteer activity at the local food bank, of which I enclose a picture. These are the things I will always remember. God Bless the family in this time as you celebrate her home going, even amidst the pain of separation. It is only temporary, after all.

“ Grief can be so hard, but our cherished memories help us cope. Hold tight to those memories....Lean on each other for support.... And look to God's word the Bible, for comfort and strength. James 4:8 encourages; "Draw close to God, and He will draw close to you.”

“ *My condolences to Turnbull's and friends for your loss of Sharon. It is heart wrenching to lose a love one or friend, remember that Jesus felt that pain. When He lost his friend, Lazarus. Soon God will rid that pain from mankind. Isa.25:8; Rev.21:4.*
