“ It is with a deep heart felt emotion that goes out to the family in which I offer my condolences. I am and so moved at this time, to see so many, so young with so much potential to leave in a memory. I lieu of flowers to the departed, I would like to offer a no-cost insurance policy for those whom care to receive it. 201-702-1418 bless you

“ I've had the hardest time to explain how much I will miss my friend, miss hearing you calling the nick name I only allowed you to use, miss you calling me Sister, you were my big Sis. Over 26 years we have been apart of one another's life from all the adventurous times in Seattle and Detroit to awesome visits in Pittsburgh, Louisville and Atlanta. I don't know how I will make it through a recipe without you to call up for that missing step I can't every seem to recall and will always have the hilarious memory of that Thanksgiving dinner we pulled off for my in-laws. Shawn was a "True Friend's friend" that ride or die who had my back but would check me quick if I was wrong. Words can't convey the sorrow I feel...I will have a forever void for my Sister...until we are able to laugh and hug eachother again...I love you, Sissy.

“ Shawn you will be truly missed. I remember you as a beautiful young lady working with me on the front desk at the Hotel on Candler Rd. I remember so well how you loved to eat. Because you have earned your wings, your spirit will live on in the hearts of those who were blessed to know and love you. Now you're home with the Father to watch over your Son, Mother, and Brother. “ The sound of her voice may have been stilled, but the memory of her life and those she touched will live on. The people we love don't go away, they walk beside us every day. We will always think of Shawn, a loving, caring mother, an awesome sister, and a beautiful amazing daughter. Her spirit will live on in the hearts of those who were blessed enough to know her.
