“ Shelia and I was friends for a very long time. We both worked at Emory rehabilitation center. That's when I first met Shelia. She always came in laughing and joking making the staff laugh. The patient laugh was just a wonderful person then years later when I joined Voices of Faith Church I met her husband Julius and we became friends. They both adopt me into their family as their sister, no hesitation about it we'll miss you for sure Shelia. We'll miss you love, Yaya.

“ To the family of Mama Shelia, I had the honor of meeting her while attending VOFN church. Over time she and I became so close that I looked at her as my God mother. She sat behind me in church. She and I shared snacks and candy. I will never forget the look on her face when we (VOFN members) surprised her for her birthday and did a drive by honking our horns and screaming and singing Happy birthday. She always gave the best hugs. I will truly miss her!! Love you, Mama Shelia.

*To Mr. Julius, Shanicka and Granny Girl! Ms. Sheila was a great soul! To know her was to love her! Our paths first crossed in 2005 at Emory Center for Rehab! She was a true firecracker that supported me and my family on and off through out the years! I am so grateful to God that I was able to see her before she transitioned! Her care and love for others was remarkable.. My prayers and thoughts are with you all!!!

Julius, I never had the pleasure of meeting your lovely wife, Sheila. However, in conversations over many years, you never missed an opportunity to discuss your love for her. The love affair that the two of you shared was beautiful and so very special. I would not be surprised one bit, if the LORD hasn't built a home for her, next door to his throne. You and both sides of the family are in my prayers.

To my beautiful cousin who I haven't seen since our teen years. I remember the kindness you showed me on my very first visit to Hammond Indiana. My sister and I spent a few days with your mom and brother. I was very shy and timid then however your brother and you helped me to relax and enjoy my stay with you guys throughout the summer. Life has a way of separating people for whatever reasons . However you always carry that person near and dear to your heart. I will never forget you Sheila and Jr. Man, is what we so lovingly called your brother.

Well cousin this is farewell until we all meet again. I will forever remember your kindness!

Rest In Peace! 🕯️

Cousin Shelia, I remember you big smile and laughter that filled the room. Auntie Josie would babysit all of us, we loved to go just for Ice-cream. I remember we all would get a turn turn that Ice-cream maker with the salt & ice. To be absent from the earth means to be present with the Lord. May God kept your family In perfect peace. R.I.P

Sheila, I am so glad that we got a chance to re-connect by phone last year. I only have fond memories of all the sleepovers with Danielle that I enjoyed at the house. You were always the sweetest person to be around. Rest in peace, cousin. ❤️
