“ *The Carty Family, Darryl, Chandra, Nikisha and Amy send words of love and encouragement to you Charles, Chuck, Candice and Todd. Sheila has her Angel wings. This special Angel is sitting with God looking down smiling on all of you. Candice, she taught you how to be gentle but firm, Todd she taught you how to follow your heart, Chuck she taught you unconditional love and Charles she taught you commitment. She was a role model to me of how a wife respects her husband without talking back. She will be greatly missed, however, she has passed her torch to each of you. Sheila will forever live on through each of you. All of you are very special to all of us. We are proud to call you our adopted family. Love Always 'The Carty's* ”

“ *At the end of each life is a legacy of love and memories. Hold tight to those memories.... Lean on each other for support. And look to God's Word, the Bible, for comfort and strength. 1 Peter 5:7 encourages; "Throw all your anxiety on him, because he cares for you."* ”

“ *Charles, Candace & Todd, be comforted in knowing that Sheila is in heaven, watching over you and smiling with great pride at the family that she's talked about and loved. She was a great wife, mother, friend, and to me - a great sister-in-love. What a loving, smart, talented, brave and courageous woman! We all can learn a few things from her example. Let the wonderful memories you have of her be a source of comfort. Her spirit is free, and she is rejoicing with the Angels. We are all so blessed to have been a small part of her wonderful life. Thank you for sharing her with us,* ”

“ Our words cannot adequately express our sorrow. Shelia was the epitome of a wonderful wife, mother, and a giving and loving person to her family and friends. We only knew the King side of the family and The Townsend's were included in family activities on many occasions. When we moved back to Alabama, I felt the warm welcome from Shelia even though she lived in Atlanta. I knew I had a friend.

*Charles, Candice, Todd - may you find some comfort reflecting upon the precious and sweet memories you shared with Shelia*

“ To Charles, Candice, and Todd:

*I'm so grateful to have known your wife and mother for nearly 45 years. I'll forever cherish memories of her as a truly good person and a remarkable friend...not to mention an arts crafter extraordinaire, a prolific taker of pictures, and a superb organizer of the most excellent adventures for her beloved Birthday Club!*

*Thank you, Dear Sheila, for leaving an amazing legacy of love, loyalty, and an unbreakable commitment to family and friends.*

*I believe in Angels. Always have. And now...I always will.*

“ I got to know Sheila as she worked at RSUI and I work for a different company in the same building. We started weight watchers program together and I got to know her very well. Sheila loved going on Cruises so we always laughed about her at Weight Watchers Because we knew how hard it was not to eat healthy on them but Sheila did great.

Rest in peace Beautiful Sheila now you can cruise in heave with our heavenly father. Tou will be truly missed warrior sister.

“ Who but Shelia could keep 20 women organized, on time , traveling the world for 11 years. She will always be in my heart and on my mind. The happy memories will bring a smile, after the tears stop falling. Candice and Charles, thank you for sharing her with The Birthday Club Divine Red Hatters. I am praying for strength and peace of mind for the Family and all of us, her Club Sisters. Rest In Heaven, my beautiful Sister.

*Another flower has been picked to beautify God's heavenly home. I know she will receive God's very best, just like all who are in His care. She will be missed here below, but know that heaven is aglow. She is finally at rest. You all love her, but God loved her best.*

*You all will be in our thoughts and prayers during this difficult time.*

“ *My heartfelt sympathy in the passing of Shelia. She was such a phenomenal woman. I cannot express the joy of having met and worked with her during my tenure at RSUI. She always had many words of wisdom, so nurturing, and God sent. I looked forward to our many conversations for many years thereafter. To the family, Take comfort in God's love during these difficult days. Continue to hold onto his unchanging hands, allow his shoulders to be the one you will lean on, his hands to be there to wipe your tears, and his arms to be there for you to hold onto. Please know that I will be especially remembering each of you in my thoughts and prayers during your time of bereavement.*
