“ Dear Thomas Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “ There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.

*To my best friend We've known each other for over twenty years. We talked two or three times everyday . You were the most kind generous and loving person I've known. There wasn't anything you wouldn't do to help a person. God needed another angel more than we needed you here on earth, so rest my friend cause you are in a better place free from pain and worry. You will always be in my heart and memory. You may be gone but never forgotten
I love you*

The Collins family would like to express our deepest sympathy to the Thomas Family during this time of sorrow. It is good for me that I have been afflicted; that I may learn thy statues. As times passes on, may you be comforted endlessly.
