“ *I met Shelia walking around the neighborhood. She instantly became a face my boyfriend and I looked for while walking. She always walked with her dog. We laughed and talked every time we saw each other and she always greeted me with her Beautiful smile. You will definitely be missed in Newtons Crest. But, now you get to walk around Heaven. Rest in Sweet Peace, Shelia.*

“ My deepest condolences to the family. Sheila was one of my favorite people at DAS. I loved her spirit and the way she didn't take life so serious. I could always count on her to put a smile on my face even when I didn't want to. I pray that her and her husband are reunited and both of them can be a guardian angels to their loved ones. God bless!!!

“ *It's with a heavy heart I extend my deepest sympathy to Bernard, Sheila's mother and sister and family. Shelia I affectionately called her my FRIEND. We were cousins by marriage. We had so many laughs and shared so many good times. We became Grandmothers together. And we were looking forward to this new chapter of our lives. But God plan was not ours. I know you are resting in the arms of Jesus my friend.*
