“ *Beverly Family, I didn't personally know Shelby well, and met him only a couple of times, and am so great full he made the trip to Steve's funeral. The wonderful stories my Steve told me of his younger days in Suitland and later at Automatic in Alexandria were quite funny. And they were some stories let me tell you! I know they were great friends til the end, even with the distance between them, as I would listen to their calls during NFL games and their commentary afterwards.*

*My condolences to the Beverly Family, may Shelby rest in eternal peace.*

“ Shelby “Bev” Beverly was a gentle giant with a heart of gold. He was my friend for 30 years. He was a wonderful Husband, Father, Brother, Uncle, cousin who cared about people. He always had a smile and kind word for people.  
I also had the pleasure of sharing many holidays with his wonderful family who I love very much.  
Bev was my Son Trey’s Godfather. He always checked on us with a visit or phone call.  
I will miss him so much! His example of love and kindness is a template to us all how we should treat on another.  
Rest easy Brother. God Bless you and your family til we meet again.

“ *Shelby's passing took me by surprise. A complete shock. My heart is heavy. I had the pleasure of working with Shelby and he was a funny, generous and kindhearted man.*

*I will miss him greatly. An example of his and his family's kindness was inviting me to their Thanksgiving dinner. Shelby knew I had nowhere to go and he invited me. I was not fishing for an invite but his sensitivity and kindness had him reach out to me. That is how i will remember Shelby. Cool dude, always the same, good natured, generous, sense of humor & kindhearted. A good soul. I will miss him. Rest easy my friend*

“ *This was very sad news to receive. Shelby was a wonderful man that made me laugh day in and out at work. I hated working there until he became my partner in crime in appliances. I spent a good two years being around him at least 5 days a week and a terrific holiday at his home with his lovely family. Thanks for being around and making my life that much more enjoyable good sir. Rest easy and know I will think of you often. Love to the Beverly family during this unfortunate time. And love always to Shelby Beverly from Andrew and Stephanie.*
