“ Even though its been a year since your passing, its still hard to believe that I will not round that corner and see you sitting in your recliner. We spent 39 years together and they are not erased from memory just because you are not here. I will forever miss you, the grand kids miss and talk about you quite often . On September 29th you would have turned 80 years old; we did not forget you, we gathered to honor you on that day. You are loved.

Loved Shelby like a brother even though he was my uncle!!! My childhood has wonderful memories of him and I always looked forward to seeing him every weekend at the farm. He and Larry were so entertaining. What pranks and oneness they got in to!!!! I will miss him so much. Dean, you always have a place in my heart. We are here for you and look forward to your coming to Missouri. I'm here for you anytime. May God give you peace and comfort. Love you!!
