“ *I thought of you today, Sheldon. Some just have a way of making a lasting impression in your life. I remember you today as my spirit recalls a phone conversation we had on this day almost 8 years ago. It's been so long but your presence is still felt. God bless you. May your friends and family have peace and comfort in this time. You are loved and you are missed.*

“ *My friend, my friend, my friend, my heart is broken. I will always cherish the friendship we shared. You were a big brother to me and you always had my back. Thanks for always being a protector and a good friend. I look forward to seeing you again when Christ returns. From the song Really Gonna Miss You (Smokey Robinson)*

Really gonna miss you

It's really gonna be different without you

Time is gonna be hard and slow

For the rest of my life

I'm gonna be thinking about you, yes I am

Time came when you had to go

I'll miss you my buddy

I'll miss you my friend

I promise my love for you will never end

Your friend forever

“ Dearest Sheldon, You were my sisters friend but you became mine also. You took care of me like a big brother. My heart is saddened that you are not physically here with us. I'm almost mad at you for it but I know we dont chose the time we leave this Earth so I'll let you be. Thank you for so many great memories. You waited allllll day in the delivery room for my daughter but she was just toooo stubborn. She is still that way now. You showed me and my friend around Atlanta and when I got stuck in Detroit, you introduced me to Anita whom like you took me in and didnt think twice until I could get on the next flight. The people around you are amazing which says a lot about you. Sheldon, I love you. Thanks for looking out for me and . Always making me laugh laugh laugh! Love, Angie's little sister Nichole

“ Sheldon was a true Renaissance Man. Someone that was going to amaze you with deep insight or a high level of BS on any subject he spoke on especially cigars, spirits and anything business. The Frank Sinatra song "My Way" best explains Sheldon to me. Great distinguished gentleman. We lost a great man, but heaven is a better place with him there now.
