“ *What a beautiful person Renee was. I remember meeting her shortly after joining Piedmont and it was like we had already known each other for years. She had such a beautiful smile and spirit. She loved her family and kids to pieces. I know she is watching over them and making sure they are doing great. I will always remember her beautiful spirit and I pray that her family receives the comfort they deserve in this time of need. God Bless!*

“ *I'm so thankful that God brought such an amazing person into my life...Renee was a wonderful friend, always smiling and sharing her love with everyone! I don't believe that Renee ever met a stranger, if you met her for the first time...it was like you had always known her. Renee, you will be missed dearly! I will continue to pray that God comfort her children, family and friends during this difficult time, as only HE can.*

“ I am so thankful that I can truly call this wonderful young lady my friend. Renee was such a kind and giving person. I remember going to a Blues Concert with her and man we had such a good time. We danced and laughed the entire concert and I will always treasure that memory. I will always remember our talks when I would go down to her office when I worked at Piedmont and getting her advice about my love life. :-) She would always give me encouragement but was not afraid to be honest with me when I was wrong. I really appreciated that. She kept my secrets and I kept hers when she shared things with me. I am so sad that I will not be able to see or speak to her but I know that she is in Heaven with GOD and I have another ANGEL watching over me. Renee, my heart is broken. I am going to miss you. Love you!!

Courtney or as you used to call my Pretty Black Girl. :-)

“ Shenita or "Renee" as she was known to her hospital family was strong, funny and determined. She was a wonderful soul who made me respect life more. I am so honored that I had the opportunity to work with her. I learned from her and laughed with her. She was my friend and a sincere one at that. Although I miss her dearly, I know that pales in comparison to the heartache her family must be feeling in this time of sorrow. My deepest condolences to the children she loved so much and all family members who had to experience this loss.

“ My condolences in the loss of your beloved family member. At difficult times as these, we need comfort to help us cope. The Bible have beautiful words to do just that. Psalm 34:18 says; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit. Isaiah 66:13a assures us; "As a mother comforts her son, so I (God) will keep comforting you." May these promises from our loving heavenly father help you to cope with the sadness and grief now and in the days ahead.

“ The "God of all comfort" is aware of your sorrow and he promises a future when "Your dead will live.... They will rise up." ~Isaiah 26:19. Jesus confirmed his role in that promise when he said..."The hour is coming when all those in the memorial tombs will hear his voice and come out." ~John 11:25. My condolences to you all...

“ Offering our deepest sympathy. May you find comfort in Jesus' promise at John 11:25, "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life".

To the family and friends of Renee, dry your tears and mend your hearts with sweet memories of her warm smile, strong will and amazing tenacity to get things not only done, but done well. She fought a good fight. She wished the best for us. I consider it both a blessing and honor to have known such a beautiful spirit. I will continue to pray for your strength during this time of bereavement.

Renee was one of the best supervisors that I have come across in such a long time. She and I would talk about classes that I am taking at school and she would encourage me to keep on going and do my best. I have to say that she seen something in me that I really know it was in me. For that I am so grateful to have to have know such a person sweet and gentile hearted person. For I know that to be absent in the body is to be present with the lord, I know that you didn't lose your fight cause you fought a good fight. but God seen that you were tired of the fight and decided to call you home so that you would be able to rest. Take your rest as you should. It is very hard for me to wrap my hand around knowing that you have transitioned into you new home but I will never forget the encouraging words that you have shared with me during our talks and how candid and honest you were with me. To the family, I know this is hard for you all but know that she is still with you and remember to dwell on the good times that you had with her. To her kids, You were he babies no matter what. She would always talk about her babies and how much fun she had with them. You mother touched many lives but in a special way.
