“ *There's a very special garden where the trees of memory grow. Nurtured by the kindness and concern that good friends show. The roots are cherished memories of good times in the past. The branches tender promises that souls endure and last. It's a place of peace and beauty where bright new hopes can start. It's memory's lovely garden that soothes the hurting heart. Sherman your beautiful soul will always be remembered . You have touched our lives and remain in our hearts forever. Our friendship is cherished, Rest in 🕊️ Peace, My dear friend*
