“ *Elle was loved by those of us who worked with her at UPS nearly 20 years ago. She was, and always will be, part of our family. To see her follow her dreams, become an actress, then a director, was so rewarding and satisfying to those of us who watched her grow and hone her craft. We all remember her telling us how she was called up on stage to dance with Prince...she was so happy! Her bright smile and infectious spirit brought so much light into this world. She will be sorely missed by her UPS family.*
