“ *To Tope and Family,  
I am so sorry for the loss of Miss Shirlene. I remember when she did my hair she was so patient, loving and kind. I enjoyed my time with her. I know that her transition has left a void in your hearts, but I can tell that you all love and support each other. You will help each other get through this. Thinking of you today and the days ahead.*

“ Our family is absolutely heartbroken, over the loss of Shirlene Douglas. We would like to extended are deepest condolences to the family of our dear friend. Shirlene was more than a hairstylist; she was a sister, a friend, and a confidant. Over the 25+ years I have known her, our bond only grew stronger. Shirlene had a smile that could light up a room, a level of class not easily achieved (she was one SHARP woman!) , and a sense of humor that I will miss dearly. (Friday evenings just won't be the same...) I am eternally grateful for who she was to my family. She loved and supported our children through every major milestone in their adult lives. Life will never be the same without her, but our lives are forever changed having had Shirlene in it. Until we meet again dear friend! We love and miss you so much!

Sincerely,  
Philippa & McKenzie Thomas
