“ Shirley was a funny lady, great cook and a nurturer of children. She provided loving care for dozens of children, mine included. We still cherish and laugh about some of the things that occurred during that time.

When Damon and Lynsey were with her, my mind and heart were at peace because they were loved.

My journey took a different path and we did not see each other in recent years, but I will always be grateful that she was a part of my life!

Love to you all! I hope you find peace in your many memories of Shirley!
