“ In Loving Memories

*Our memories are so dear and true,
those memories of me and you*

Your Big Sister loved you through and through

*Your love for me was like no other
I stand here proud to call you my little brother*

*When God created you He knew that you were special because you
were like no other*

When I heard the news a part of my heart and soul died

You will always walk with me hand and hand and side by side

Growing up I was looking over and protecting you

*Now that you are in heaven the roles has changed you are looking
over me from up above*

*I know I will always be safe because you are protecting and fighting
for me from up above helping while I am trying to find my way*

Know that I will always love you "My Little Big Brother"

*As the wind blows I can hear a sweet whisper saying Nicole "I am
your brother" and we overcome and make it through any struggle"*

*Rest peacefully my dear"Sho", Your Big sister is sending you her
love with a big smile and a strong and embracing hug*

*We will meet again one day
But until then you will forever
remain in my heart*

You moving forward, you with me day to day

Love Always Your Big Sister
